Cancer Society Holds Meeting

A meeting of the Crawford County Cancer Society took place in the Grayling State Bank meeting room on Monday afternoon of last week. Present were Mrs. B. E. Henig, Mrs. E. R. Burns, Mrs. Eli Beery, Mrs. Harry McEvers, Mrs. Olin Williamson, Mrs. Robert Strong, Jack Alef and Field Representative Gail Smith of Flint.

Mrs. Henig, county chairman called upon Mrs. McEvers, secretary and treasurer, who read the minutes of the last meeting and gave a financial report.

Mrs. Burns reported on the loan closet and announced she had received some inquiries concerning new type hospital beds which raise and lower. Mrs. McEvers was requested to obtain prices for these beds also for wheel chairs and other small items to be purchased for the loan closet, funds permitting.

Mrs. Beery commented on the educational program. It was pointed out that a year has again passed since the cytology program (cell examination for uterine cancer) and an effort should be made to inform the public.

Mr. Alef announced that once again the Grayling Bank would sponsor a kick-off luncheon for the crusade which is scheduled the week of April 13th through 17th. The quota for the crusade this year is \$1043.91. Mrs. Olin (Dottie) Williamson is this year's crusade chairman.

Grayling Film Service Wins National Citation

"Bowfishing Fun" and "The Oldest Game" produced by Bear Archery Company, were among 12 outdoor-film titles cited for excellence in the First National Outdoor-Film Festival, held in Grayling, Mich., at the Chief Shoppenagons Motor Hotel, Feb. 14-16.

Sponsored by Michigan Outdoor-Writers Association to give recognition to the many high quality outdoor films being produced throughout the country, the contest drew entries from a dozen states, many governmental agencies and ten companies which sell outdoor equipment. MOWA is the oldest and largest state group of outdoor writers in the nation. Their judges for this contest were: Mort Neff, Producer of Michigan Outdoors weekly TV show; George F. Pierrot, Director of Detroit's World Adventure series and TV outdoor travel film director; Lee Smith, Outdoor Editor of Michigan Consolidated Gas Company; and James A. O. Crowe, Outdoor Editor of the Detroit News.

"Bowfishing Fun" and "The Oldest Game" have excellent color, fine sound track, and tell their stories most interestingly," the judges wrote. "We recommend them for showing to all groups interested in the outdoors and in travel. They have educational value for school groups also."

Accepting the certificates of merit for these films were Fred Bear, President of Bear Archery Company, and Chuck Kroll, Director of the Grayling Film Service, a subsidiary of Bear Archery Company, which has a library of over 400 films comprising 16 different subject titles which are distributed nationwide.

Grand Award in this year's contest went to American Motors Corporation for their entry, "Out of The North", a truly magnificent story of the annual waterfowl migrations. The Michigan Tourist Council shared a first place in the Fishing category with their "Fishing Fun in Michigan."

"We are delighted with the quality of films entered, and will make this an annual festival," said MOWA President Len Barnes, Outdoor Editor of Michigan AAA Motor News. Information on the 1964 contest, which will close in November, can be obtained by writing Barnes at 139 Bagley, Detroit, Mich., 48226.

Woman's Club

The Grayling Woman's Club meeting held at the clubhouse Monday evening featured Hobby Night. Mrs. Harris Jespersen demonstrated her hobby, wood carving. The first question in beginning one asked is "Why am I doing this?" Mrs. Jespersen pursued this hobby a good number of years as well as teaching it. Her feeling for various woods and love of design was shown in the many interesting pieces displayed. Other hobbies on display by members were crocheting, knitting, plastic rug embroidery, baking, fabric painting, coin collecting, and interior decorating. A report on the decorations done for the club for the recent Winter Sports Ball was given and future ideas discussed.

Mrs. Kenneth Ashton was a guest. Lunch hostesses were Mrs. Stanley Stealy and Mrs. Arthur Carlson. Red roses in a plastic lace holder with red tapers were used as a centerpiece.

Dr. and Mrs. Ralph Steffe of

ELEVENTH WINNER

Fred Bear Given Compton Medal And Citation Plaque

Fred Bear, President of the Bear Archery Company of Grayling, was honored with a plaque and medal presented to him at the annual Pope and Young Club dinner held Feb. 5th in Chicago.

The Compton Medal has no sponsor. It rightfully belongs to the members of the National Field Archery Ass'n. and is not a competitive award but one presented to any person who has made an outstanding contribution to archery. It is not given annually, but only to a person worthy of the honor. The medal bears on its face the profile of W. J. "Chief" Compton. He was the last of the immortal "Three of Archery"—Saxton Pope, Art Young and "Chief" Compton. It was the "Chief" who interested the other two in archery and taught them to shoot. Mr. Bear is the eleventh recipient of the award.

The plaque is inscribed as follows:

CITATION

"Whereas Fred Bernard Bear has unselfishly given of time and money for more than three decades to the betterment of Archery, as evidenced by the following achievements and contributions:

Winner — Instinctive Division — 1939 Michigan State Field Tournament

Winner — Numerous Art Young Awards — Nat'l. Field Archery Association

Honorary Life Member of the Michigan Archery Association

First Midwest Representative to Nat'l. Field Archery Ass'n. 1940

Member Rules Committee of proposed Nat'l. Field Archery Ass'n. 1939

Charter Member of Archery Manufacturers' and Dealers' Ass'n. In 1961 held five world records from the Pope and Young Club in North American Big Game Competition

Whereas Fred Bernard Bear has shown his absolute dedication to Archery as evidenced by the following:

By his genuine interest starting in the early days of the National Archery Association when A. J. Michelson, John Young, and others, were groping for ideas to further the cause of Archery.

By his desire to make better Archery equipment — using all available technology for better craftsmanship and performance — insisting upon proving equipment in the field and being satisfied with only the best.

By his promotion of Archery, especially in the bowhunting field, which has been unparalleled. This has been done in the most dignified and sportsmanlike manner which is the very image of the man himself.

By his production of movies on hunting of big game, he has done much to popularize bowhunting. His television appearances have brought Archery into thousands of homes. His promotion through the media of national magazines has brought Archery to millions. This has helped to relieve us all of pressure brought about by unwarranted attacks upon the sport, mainly in the direction of bowhunting. In his quiet, gentlemanly

NOTICE

Grayling postmaster James Post and Frederic postmaster Lela Lang announced that there will be no mail delivery next Saturday, Feb. 21, as the office windows will remain closed. Saturday, February 22, is a national holiday, George Washington's birthday.

NOTICE

The deadline for use of 29th license plates is February 29th. The branch office of the Secretary of State at Gould Cleaners is open daily from 9 to 5. Closed all day Tuesdays.

Engagement Announced

The engagement of Alicia Ann Hausmann, daughter of Mrs. G. Hausmann Thorsen of East Jordan and Mr. Theodore Hausmann of Grayling, is announced, to Mr. Jon Terry Lindgren. Miss Hausmann is a graduate of Grayling High school and Central Michigan University. Mr. Lindgren, a graduate of the University of Michigan, is the son of Mr. and Mrs. Edgar N. Lindgren of Holland, Michigan. Both are currently residents of Petoskey. A March 20th wedding in Holland

Lindgren of Holland, Michigan. Both are currently residents of Petoskey. A March 20th wedding in Holland

Frederic At Bellaire Friday

Bob Ashman

After playing two games last week on their home court, the Frederic Eagles are slated to travel to Bellaire this Friday night to meet the Eagles of Bellaire. Frederic is determined to avenge a 76 to 64 trimming they took at the hands of Bellaire in the Frederic gym earlier in January.

The championship-bound Ellsworth Express got no competition from Frederic last Friday night as they rolled to a 92-52 victory on the losers court.

The Lancers made Frederic their eighth straight conference victim, jumping ahead 18-9 before the dazzled Eagles could recover and it was too late. The visitors shook off their outclassed opponents and roared to a 46-19 halftime bulge. The game was somewhat tighter in the second half, but the Lancers had no trouble in padding their lead in the final two periods.

Mike Harmer led the Eagles with 20, and Alan Alma added 10, Carl Boss had 27 and Larry Brock 19 to pace the Lancers. Frederic is now 4-8.

The junior varsity's trophy hopes were short-lived Friday night, as the Little Lancers blasted the Eagles 59-40.

The visitors tied 10-7 and 26-19 at the first two stops, and were never headed. The game was reasonably tight throughout the third period, Ellsworth leading 41-33, but the visitors pulled away from a winded Ellsworth at the end.

Jim Gauthier led the Eagles with 10 points, Steve Weaver, who was averaging 30.3 a game, was held to 7. Chuck Denny paced the Little Lancers with 18. The Eagles are now 6-2 in conference competition.

Grayling Seniors Plan Chicken Dinner, Feb. 29th

The Grayling High School Seniors have planned a chicken dinner for Saturday night, Feb. 29, at the Grayling High School gymnasium. Serving will start at 5:30 p. m.

Tickets are priced at \$1.25 for adults and 75 cents for children under 12. Members of the class are planning to phone people for reservations. Funds from this dinner will go towards the Senior trip to the New York World Fair. Please come.

Grayling High Skiers Place In Regional

By Mark Anderson

The 11th annual Lower Peninsula Regional High School Ski Championships were run Saturday, February 15th, at the Big M ski area near Manistee.

The Grayling High school girls' team placed 10th out of 13 teams entered. The winning team was Traverse City Central.

Individually in the Slalom, Camilla Marshall took 14th, Jody Wyman 39th, Linda Knibbs 40th, and Karen Lowrie 49th place. In the Giant Slalom Camilla Marshall was 17th, Rhea Stripe 20th, Linda Knibbs 34th, Karen Lowrie 57th, and Jody Wyman was disqualified.

The Grayling High school boys' team placed 9th out of 14 teams entered, the winning team again being Traverse City Central.

In the Slalom, Mark Anderson placed 10th, Mickey Stillwagon 23rd, Randy Thompson 46th, Mark Day 58th, Mike Gardner 71st, and Tom Hatfield was disqualified. In the Giant Slalom Mark Anderson took 9th, Mickey Stillwagon 23rd, Randy Thompson 55th, Mark Day 73rd, Tom Hatfield 77th and Mike Gardner 93rd.

The boys' team raced without the services of Pat Burton, who was ill at the time.

There were medals given for the first ten individual places in each event, Mark Anderson winning two medals.

Editor's Note — Pictured above is Mark snapped by his parents while making one of his races.

Among the Northwestern Michigan College students home over the weekend were Nancy Cornell, Larry Hunter, Tim Neal, Ted Beery and Patsy Wiseman.

Vikings Meet Pellston There Friday Night

LOCAL STOLEN CAR RECOVERED IN U. P.

A car belonging to George Leas was stolen from the Legion Bowling Alley parking lot between 9 and 10:20 p. m. February 14th. Two boys, 14 and 15 years of age, were picked up at Manistique in the U. P. on the 15th with the car. They were turned over their parents pending a petition being filed in the common Probate Court on the charge of breaking and entering. Local officials are awaiting developments in this before proceeding further.

Grayling City police issued a summons for speeding to David Paul Moore, 18, of Prudenville on Feb. 14. He will appear before Justice of the Peace Olin Williamson in the near future.

Queen Nancy Wins CMU Title

Nancy Albosta of Higgins Lake and Miss Michigan Winter Sports of 1963, was named Winter Queen of Central Michigan University at Mt. Pleasant on Monday of this week by the Student Senate of CMU.

Nancy will go north to the Michigan Tech Snow Carnival at Houghton which will take place on Feb. 29 and March 1 as a representative of Central Michigan.

Michigan University of Technology and Mining has sponsored a winter carnival for a number of years and is asking all universities and colleges in Michigan to send their Queens to the Tech Snow Carnival.

Donkey Basketball Set For This Saturday Night

As another form of entertainment in their continuing effort to raise money for next July Fourth celebration, the Grayling Fire Department will present a Donkey Basketball game this Saturday, February 22nd, at 8 o'clock in the Grayling High school gym. Teams will be made up of the Firemen versus the Tank Crew.

Besides the game there will be some of the school faculty in a race, the donkeys to be fed crackers at the halfway mark of the contest and return to the point of beginning.

Admission for the evening is \$1.00 for adults, 50c for children, preschoolers free. The firemen hope to have a large attendance for this event.

Kiwanis Club Notes

Wesley LaGrow

Two prize winning outdoors movies were the program at the Monday evening meeting of the Kiwanis Club of Grayling held at the Chief Shoppenagons Motor Hotel. Robert Hayes was in charge of the program.

The two films were from the recent meeting of the Michigan Outdoor-Writers Association held in Grayling at which they held their first "Out of the North" film festival. "Out of the North," the first prize winning film by American Motor Corp. and "Gooney Birds" were screened with Joseph Stripes manning the projector. Of interest is the fact that the film "Out of the North" is the final film in a series which was commissioned for American Motor Corp. by the late George Mason who maintained a summer home on the South Branch of the AuSable River and who donated to the people of Michigan through the State Conservation Department the South Branch AuSable River Area in Crawford County which will be kept as a wilderness site in perpetuity.

The birthday of Dr. Stanley A. Stealy occurred Monday and he was honored by the club.

Shrove Tuesday Dinner At St. Francis'

About fifty Episcopalians and friends met at the church on Shrove Tuesday Evening for a covered-dish supper and fellowship evening. Mrs. Jim Hatley and Mrs. Loe Morency were co-chairmen of the affair. This marked the end of social activities at St. Francis' until after Lent.

Confirmation instruction is already under way in preparation for the annual visitation of Bishop Crowley at the end of April. Any one interested in these classes should contact the vicar, Charles A. McMahon. Telephone 348-8306.

Washington's birthday, Saturday, Feb. 22, marks the date of a Rummage sale sponsored by the women of St. Francis'. The sale will be held at the Masonic Temple from 9 a. m. to 4 p. m. Mrs. Eli Beery, chairman of this event, asks that articles for the sale be brought to the Masonic Temple on Friday between the hours of 8:30 and 2.

Lose At Gaylord; Defeat Mancelona

The Grayling Vikings, after splitting in two conference games last week, are scheduled for the long trip north to the nest of the Pellston Hornets Friday night. Pellston, currently holding down second spot in the Northern Class C Conference is expected to give the Vikings plenty of trouble on their small floor. A full court press will probably be thrown at Grayling by the Hornets.

Last Tuesday, Grayling took a 82 to 45 trouncing at the hands of the Blue Devils at Gaylord but then came home for a Friday night clash with the Mancelona Ironmen and collared them 72 to 66. On Tuesday night in other loop action, Boyne City stopped front running Charlevoix 59 to 54; East Jordan dropped Mancelona 73 to 63 and Pellston outlasted the Harbor Springs Rams 85 to 65.

Friday night, Gaylord overhauled East Jordan 79 to 68; Charlevoix stopped Pellston 77 to 71 and Harbor Springs dumped the Boyne City Ramblers 64 to 44.

Tuesday night at Gaylord, the Blue Devils took a big 18 to 8 first quarter and went on to win the other three, 15 to 10, 24 to 13 and 25 to 15. Gaylord hit for 32 field goals and 18 out of 28 free throws. The Vikings scored only 17 times from the floor and added but 11 out of 20 tries from the foul line.

Terry Smith and Bill Joseph each with 14 points paced the Grayling scoring thrust. Curt Feldhauser added 8, Eddie Robertson 5 and Richard Smith and Walt Nielson a field goal each. Gaylord's towering Tom Lick with 21 points led the Gaylord attack. He was ably assisted by Snell with 18.

Friday night, the story was much different. Grayling took a 20 to 18 lead at the end of the first quarter and led by a 39 to 32 count at intermission. Mancelona bounced back with a 18 to 14 third frame but the green and white sewed it up with a 19 to 16 final canto. Grayling scored on 23 field goals and 18 out of 32 chances from the free throw line. Mancy hit 25 times from the floor and added 16 out of 22 chances from the charity lane.

The Vikings had five players in double figures as Joseph scored 18, Feldhauser 17, Terry Smith 15, Jerry Lucksted and Nielson 10 each. Eddie Robertson added a field goal.

The little Vikings followed the same pattern as the varsity as the little Blue Devils downed them 35 to 28 Tuesday night and then the Grayling reserves stopped the Mancelona junior varsity 55 to 35 on Friday night.

Grayling trailed 7 to 3 at the end of the first frame Tuesday night but battled back to a 12 all tie at halftime. A 9 to 6 third quarter and a 14 to 9 final brought victory to the host team: LeRoy Neal with

MRS. MINNIE PALMER SUCCUMBS FEB. 16th

Mrs. Minnie Palmer passed away Sunday, February 16th, at her home after an illness of some time. She was 88 years old.

Mrs. Palmer was born August 20, 1875, to Frances Anna and Wm. Leitch at Stanton, Michigan. She grew up there and attended school, and in 1893 married Charles Palmer there. The couple spent some time in Stanton, and also lived in Milan and Standish before moving to Grayling in 1913. Mr. Palmer was the janitor at the old Grayling High school, continuing in that position after the building burned in January of 1915 when the new school was opened in 1916. The family left Grayling in 1917 to live in Bay City. Mr. Palmer passed away there on August 22, 1934, at which time Mrs. Palmer went to live with her daughter, Mrs. Marion Burch and family. She accompanied them to Grayling when they moved here in 1940, and has been under their care since that time.

Mrs. Palmer was a member of the Michelson Memorial Methodist church. She was never one to be idle, packing every moment of her long life with activity about her home and family. She was fond of flowers, and was very successful in keeping blooms around her.

The Palmers had seven children, one of whom, Frederic, died at the age of two. Surviving are three sons, Carl of Owosso, Charles Jr. of Hersey, and Sanford Palmer of Grayling; three daughters, Ruth Harger of Belding, Betty Kingsley of Milford, and Erma Burch of Grayling; sixteen grandchildren, thirty-five great grandchildren, and eight great great grandchildren.

Funeral services were held at two o'clock Wednesday afternoon at the Sorenson Funeral Home, with the Rev. Alfred Fennell officiating. Music was by Mrs. Arthur Feldhauser. Burial was in Elmwood Chapel, with Mrs. Palmer's grandparents serving as pallbearers.

Mr. and Mrs. John Bates of Lansing visited her father, Henry Bradley, during the winter carnival weekend.

Plan Commission Scans Resources

The Grayling-Crawford Planning Commission held their monthly meeting Monday night at the Grayling Township Hall with chairman Arnold Mauren presiding. Dr. Frank Suggitt, representative of Williams and Works, consulting engineers, hired by the Commission was also present.

Several reports were turned in on the natural resources of the county and the area under the scrutiny of the commission. Studies have been completed on the soils, geology, climate and agriculture. Work is being done on the history of the area, recreation, forestry and water resources and fishing.

This phase of the program is expected to be finished up at the March meeting. A lengthy discussion was held concerning the possible sites in the city of various municipal buildings if and when new ones are constructed and a move is indicated.

Friends, Romans, Countrymen

(and Crawford County residents), lend your ears. Wednesday, Feb. 26, at 7 p. m. in the Viking Room at Chief Shoppenagons Motor Hotel, Friends of the Library will hold their annual meeting and election of officers. Members of the Library Board will be present to discuss latest developments in our building program. All friends are urged to attend this meeting, which will be held informally during a dessert and coffee hour. All interested persons, whether at present members of the Friends or not, are welcome and invited to join this worthwhile community group.

The need for a new library becomes more necessary every day. More than 2/3 of the funds have been collected. Let's finish the job. Won't you please join us Wednesday, Feb. 26, 7 p. m. in the Viking Room?

Conservation Notice

Warmer than usual weather and light snows have teamed up to make it an easy winter for the deer in Crawford County. Recent warm days have put a heavy crust on the snow. This crust makes for ideal conditions for dogs to run deer, and they haven't missed the opportunity.

Dogs running deer have increased in the past week, and owners should make every effort to confine their dogs at least for the next 60 days. Dogs found running deer may be killed by any peace officer. If you have a dog, it is suggested you keep it confined.

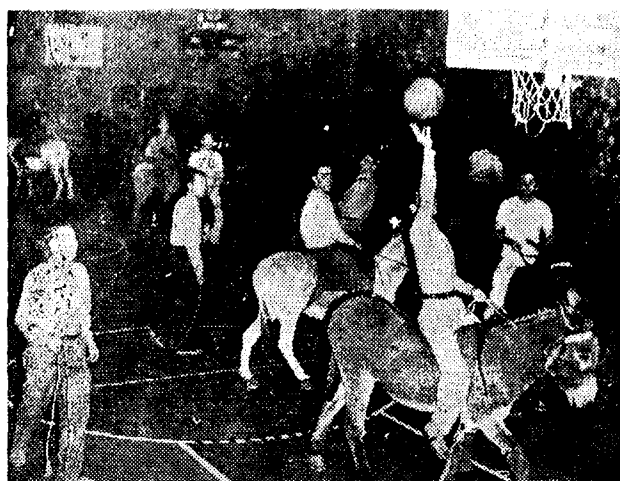

Spawning season ends the last day of February. Ice conditions are good now, and shanties could be removed from the lakes in the county with little difficulty. When they are removed, take them home and don't leave them on highways or property you do not have permission to leave them on. It is unlawful to burn a fish shanty on the ice.

Explorer Scout News

The Grayling Troop 77 Explorer Scouts made an overnight camping trip to Grass Lake Saturday and Sunday with leaders Bill Weaver, Bill Holzman and Larry Crouch accompanying them. Taking part were President Mike Hume, Treasurer Mike Gorman, Stanley Morse, Larry LaMotte, Danny Ingalls, Chuck Haas, Mike Crounch, Donny Griffith, Ken Halstead, and two new members who were initiated last weekend, Gary SanCarter and Kim Loveley.

The boys fished through the ice, taking over 60 pike, many of which they threw back to keep within their legal limit. Bill Weaver took his limit of 6-8 inch bluegills Saturday and Sunday. The troop camped at the edge of the lake Saturday night, cooking their meals themselves, and enjoying the favorable weather.

A & P Announces Sales Personnel Change

Promotion of Robert J. Murray to director of sales of A & P Food Stores' Central Western Division, effective March 2, was announced today by Division President Byron Jay.

He will replace Edward A. LePage, who has been elevated to the post of national sales director of the parent company in New York. In his new assignment, Murray will direct sales activities for the division's six-state area extending from Memphis, Tenn., to Sault Ste. Marie, Michigan.

Mr. Murray has been with the food chain since 1934, starting as a store clerk in his home town Saginaw. He received his first managerial appointment in 1937 and managed A & P stores in Saginaw, Bay City, Midland and Flint prior to coming to Detroit in 1944.

In Detroit, he was associated with the sales department for six years and was a store supervisor three years. He became assistant sales manager for the Detroit Unit in 1956 and three years later was advanced to sales manager. In April 1962 he was elevated to field superintendent of the company's Detroit Unit and held this post until last December when he was made assistant director of sales for the Central Western Division.

KAHOUN-JOHNSON WED FEBRUARY 11

The marriage of Miss Diane Rose Kahoun, daughter of Mr. and Mrs. Steven F. Kahoun of the AuSable Motel, Grayling, to Mr. Walter Wilhelm Johnson II, son of Mrs. Walter W. Johnson and the late Mr. Johnson of 110 South Fifth Street, Roscommon, took place at 11 o'clock Saturday morning, February 11, 1964, at St. Mary's church in Grayling. Father Joseph Sakowski performed the ceremony. A long, low spray of white cushion mums and white gladioli adorned the altar on each side. Music was by Mrs. Ralph Hoffman, who presented the selections "On This Day, Oh Beautiful Mother," and "Diane". The bride approached the altar in a pale yellow fine wool suit with cocoa-brown shoes and purse for her accessories. Atop her head was a hat of white satin roses with white velvet rose leaves. She carried a beautiful bouquet of thirty baby yellow roses surrounding two cymbidium orchids, the orchids used afterwards for her going-away corsage.

Miss Pamela Ann Mauren attended the bride as maid of honor, wearing an olive green wool sheath dress with three-quarter sleeves and jewel neckline. Her accessories matched her dress, complemented by a yellow-flowered headpiece with shaded yellow flowers. She carried a cascade bouquet of yellow Amazon lilies.

Gunnard Nixon Johnson served his brother as best man. Mr. Frank Murphy of Grand Rapids and Raymond Johnson served as ushers to the arriving guests.

For her daughter's wedding Mrs. Kahoun chose a pale beige dress of imported silk shantung complemented by a pillbox hat with veil. Her accessories were peacock feather colored shoes and bag.

Mrs. Johnson was attired in a three-piece spring green suit with black accessories, her hat in shades of green matching her suit. Both mothers wore cymbidium orchid corsages.

Immediately following the wedding, a reception for forty at the Chief Shoppens Motor Hotel began with cocktails and hors d'oeuvres in the Viking Room, continuing with a dinner for all the guests.

Following a honeymoon in the upper peninsula, the newlyweds are at home at 1799 Sunset Drive in Roscommon. Mrs. Johnson has attended St. John Berchmans grade school and Our Lady Queen of Peace grade school, Detroit, and graduated in 1961 from Regina High school in Harper Woods. She is a 1963 graduate of the Mercy School of Practical Nursing of Cadillac and of the John Robert Powers modeling school. She is presently employed at Grayling Mercy Hospital. Her husband graduated from the Gerrish-Higgins High school in Roscommon in 1960 and has attended Ferris State College at Big Rapids for two years. He is presently employed by the Roscommon County Road Commission.

Out-of-town guests attending the wedding and reception were Mr. and Mrs. A. F. Callahan, Mr. and Mrs. Frank J. Jewell of Birmingham, Mr. and Mrs. L. Glowicki of Bay City, Mrs. Rose Harrison of

Letters To The Editor

Dear Sir,

We are addressing this letter to you, in the hopes that you will publish it. Our hope is that it will spur the citizens who are in a position to do something about this problem.

It is high time that something is actually done about TEENAGE drinking, especially that which is done in public and FLAUNTED in full view of our law enforcement officers. Regularly there are many teens who are under the influence of alcohol roaming the city streets creating a spectacle of themselves. This gives some strangers and town's people the idea that Grayling can not or, WILL NOT control their future citizens.

Because of these teens that haven't any respect for the law (or anybody) all teens are labeled irresponsible and uncooperative. The teens given bad names, because of so few, can do nothing but protest. Most of the teens that drink are not shamed by the fact that what they are doing is illegal. Quite the contrary, they get a thrill out of showing up our law enforcement.

Of course we realize there are many adults that don't set a good example for anyone. Those adults that do care what kind of an ex-

ample is set for our teens, (and younger children) WHERE ARE THEY?

We hear lots of talk, but see no action from any side. There are laws, but to do any good, they must be enforced.

It is the Parents, the Law Enforcement Officers job (responsibility) to correct and GUIDE our teens.

IS ANYONE GOING TO HELP!!!

Thank you for hearing us out.

Grim Future?

America for a great many years has been plagued by a unique problem — where to store all the food that we grow, cannot eat and cannot sell. By contrast, most of the countries around the world already face a chronic shortage of food supplies. And if population growth continues at the present rate, they will move inexorably closer to the hard reality of starvation itself.

An official study recently completed by the U. S. Department of Agriculture confirms what has been a growing worry in the minds of many of the world's leaders — that unless some presently unforeseen breakthrough occurs, world food production can no longer keep up with the explosive growth in the number of the world's people.

Commenting on this study, U. S. News & World Report observes that, "In the foreseeable future, famine looms as a prospect that can become more serious than the threat of nuclear war. Unless a way soon is found to control the problem of worldwide population explosion, starvation will take over as a partial solution to that problem."

The facts of the Department of Agriculture report are startling. Grain provides most of the energy in human diet, either directly or through its use as feed in the production of meat, poultry and dairy products. Two thirds of the world's people live in Latin America and Asia, and in these areas, with the exception of the USSR, output of grain per person from the mid 1930's to 1961 has fallen. It has decreased 2 per cent in Asia and 16 per cent in Latin America. Starting from a low level of production, output of grain per person in Eastern Europe, Russia and Africa has increased only slightly during the same period. As things now stand, just three areas containing but one fifth of the world's people have the capability of producing a food supply sufficient to meet the needs of their growing populations in future years. These are Australia-New Zealand, North America and Western Europe, where grain output per person from the mid 1930's to 1961 has increased respectively 51 per cent, 44 per cent and 19 per cent.

At the present time, grain exports from Canada and the United States are the primary barrier against famine in vast areas of the world. For three years, Canadian grain has been a major prop sustaining Communist China. Exports from the U.S. are now helping to meet a crisis in Russia and are holding back hunger in Pakistan, India, South Korea and many nations of Africa, the Middle East and Latin America.

The Agriculture Department survey indicates that grain surpluses in the United States and Canada available for export will increase sharply in the years ahead, but that this supply can be expected to meet only a fraction of the world's needs.

One clear impression emerges from all this. If

the human race is to escape the Malthusian prediction that increases in world population would inevitably lead to mass starvation, there must be a concerted effort to turn the best in technology and research toward achieving new and more efficient methods of producing the sustenance by which man lives.

This is indeed a formidable challenge for less developed areas of the world. Raising their food production capabilities involves, not only capital investment of huge proportions, but a vastly accelerated advance of their people into the modern world. Productive agriculture such as we know in the United States is not easy of achievement. It rests upon an exceedingly broad base of technical know-how, education and industrial capability making available the machinery, the specialized feeds and seeds, and the chemicals to enrich the land and control crop destroying, diseases and pests.

Only through careful but intensive use of all these factors can man hope to tip the balance of nature in his favor, and perhaps tap as yet unknown sources of food production. He may reach the stars, but it looks as if his toughest job in the foreseeable future will be learning to feed himself on earth.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCELANCHE OF 23 YEARS AGO

February 20, 1941

Grayling's first skating championship meet was featured here last Sunday at the winter sports park. 175 skaters participated in the event. Contestants came from all points between Petoskey and Detroit. The meet was for the Northern Michigan amateur championships, and was sponsored by the Southern Michigan skating association. This was the first official skating event ever held in the Grayling Winter Sports park. Among those starting in the meet were Saginaw's Wrona sisters, Esther and Helen, and Vince Bozich of Detroit. Bonnie Doyle, also of Saginaw, and a speedster deluxe, was the runner-up for the women.

Last Thursday "Johnny" Johnson turned in a game of 267 to set a new high record for the Bowldrome. Bowling with Carl Doroh, he threw six strikes in a row. The first ball in the seventh frame almost netted another, but the No. 3 pin stayed up. Johnny picked it off for a spare, and then got a spare in the eighth. Four more strikes finished up the game for the 267 total. This beat Sam Rasmussen's 259, the previous high mark. Carl Doroh a bit later had a 235 game. Miss Lucy Moore hung up a new high record for women Sunday evening in the match against West Branch, getting 203. This is the first time a woman has beat the 200 mark on the local alleys. Her three game match total was 490, which is plenty good any time.

The Owens family of Maple Forest is quarantined in with scarlet fever. Young Charles is the only one to date having contracted it.

Ted Leslie is driving a new 1941 Special deluxe Chevrolet Sport sedan purchased from Alfred Hanson. Jimmy Thompson, son of Mr. and Mrs. Grant Thompson, left Wednesday for Lansing, having enlisted in the U. S. Navy and will report for duty today. He expected to be sent to Pensacola, Florida.

Phil and George VanPatten of Detroit were snow train passengers Sunday, spending the day with friends.

Mrs. Nikolai Schlotz was hostess to some twenty ladies at her home Saturday afternoon at a miscellaneous shower, honoring Miss Dorothy Roberts, a bride-elect. The afternoon was spent visiting while the ladies busied themselves hemming kitchen towels and dusters. Mrs. A. L. Roberts and Mrs. Joseph McLeod presided at the tea table, which was covered with a fluted lace cloth, centered with a clever arrangement of blue and white flowers in a red glass bowl, and guarded by white tapers tied with dainty red bows. Miss Roberts was the recipient of many lovely and useful gifts.

A quiet but pretty wedding was solemnized at the South Branch parsonage last Saturday, when Miss Vera Hartman, daughter of Mr. and Mrs. Fred Hartman of Eldorado, became the bride of Robert Papenfus, son of Mrs. Lola Papenfus of Lovells. The couple was married amid a group of near relatives by Rev. Charles Starr. They were attended by Mrs. Henrietta Keith, sister of the bride, and Roy Papenfus, brother of the groom. Immediately after the ceremony the young couple left for a short trip in the southern part of the state. On returning they will make their home in Lovells.

If you get lost in the woods now it's your own fault, says the department of conservation in announcing it has completed and ready for distribution detailed maps of 37 Michigan counties. Most of the maps are of counties located in the northern part of the state. The maps are of special interest to campers, hunters and fishermen, indicating in detail fire-breaks, trails, good and poor roads and even abandoned railroad beds, together with such features as lakes and intermittent lakes, springs and flowing wells, hunting or fishing camps, shelter cabins, tourist camps and parks, drainage ditches, railroad stations, dams. Cemeteries and town halls are shown by symbol and even the "four corners" are not neglected.

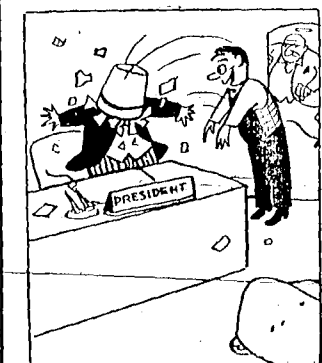

Miss Elna Mae Sorenson was hostess to the Just Us Club at a Valentine party at her home Monday evening. Cards were enjoyed and there were valentines for all. A delicious lunch was served.

Alfred Orhn, skiing instructor at Grayling Winter Sports park, broke the park jump record Saturday with a jump of 82 feet. The former record was made by Clarence Hall of Detroit, 75 feet. Next year it is hoped that the new pro ski jump will be in operation at the park. The present jump is about 40 feet high while the new one will be 95 feet. With the latter it is expected that jumps will average more than 200 feet. Mr. Orhn won the All-American championship in 1925 when he made a record jump of 228 feet.

Bert W. Newson of Des Moines, Iowa, was awarded the contract for painting the interior of the

local post office, and began work Friday of last week.

At the last open house for the boys and girls of St. Mary's parish, that is held each Wednesday evening, there was a large number present. The girls worked on scrap books that are to make some little shut-ins happy. The real treat of the evening came when ice cream, contributed by C. J. McNamara, was served, and there were cup cakes with it. Mrs. McNamara and Mrs. W. J. Heric were in charge for the evening.

Fred White of Detroit became too hilarious Sunday and went through the window glass of the door at the Grayling Restaurant, which cost him \$15 for the pane of glass, and he also was required to pay court costs in answering the disorderly charge.

Arthur Feldhauser and Carl Sorenson of the County Board Commission and Supt. James Richardson are in Ann Arbor attending an annual road conference.

Mrs. Richard Snyder and little daughter Margerthe Kristine of Saginaw, were guests of Mr. and Mrs. Oscar Hanson over the weekend.

Benton Jorgenson and daughter Betty Jean and son Wally of Detroit spent the weekend visiting his mother, Mrs. Adler Jorgenson. Misses Beatrice and Virginia Peterson returned Sunday to C. S. T. C. at Mt. Pleasant after a several days' visit with their parents, Mr. and Mrs. T. P. Peterson.

Mrs. Harry Poole and daughters of Pontiac spent the weekend visiting friends in Grayling. Dr. and Mrs. Poole were former residents of Grayling, when the former practiced his profession here.

46 YEARS AGO

February 21, 1918

Mr. and Mrs. Emil Hanson of Detroit, formerly of this city, are the parents of a son, Neil Munn, born to them Friday, Feb. 15th.

Mr. and Mrs. William Christenson entertained about fourteen of their friends at their home Thursday evening in honor of their wedding anniversary. The guests pre-

sented Mr. and Mrs. Christenson with a beautiful pedestal, in memory of the occasion.

A. M. Lewis has been appointed chairman of the National War Savings and Thrift Stamps committee for Crawford County.

Prof. and Mrs. F. C. Smart of Ann Arbor are happy over the arrival of a daughter, born February 9th. Prof. Smart was a Grayling boy and generally known among his friends here as "Clarence".

George Burke says he will begin the construction of his proposed garage just as soon as the weather will permit. This will be a fine two-story brick affair, with basement. The lower floor will be used as a Ford service station.

Mr. T. W. Hanson has been appointed Enrollment Officer for the City of Grayling for the United States Public Service Reserve.

Miss Christine Peterson arrived Tuesday of last week from Deckerville and expects to spend the remainder of the winter with her parents, Mr. and Mrs. Hemming Peterson, near Frederic.

The Grayling Fuel Company is a new concern in Grayling, with T. P. Peterson and Chris Hoesli as proprietors. They will handle all kinds of coal, coke and wood. Mr. Peterson is village clerk and also head bookkeeper for R. Hanson and Sons. Mr. Hoesli has been in the wood-business here for several years.

Camp Custer — Unless the War Department ceases its shearing process here, the Eighty-fifth division will soon have dwindled to an unrecognizable skeleton, with little apparent chance of rehabilitation except through another draft.

Mrs. J. M. Bunting was called to Milford, Michigan, Sunday by the serious illness of her father, who passed away the following night.

Bernard Callahan of Frederic has accepted a position in the depot at Waters.

After several days of mild weather the temperature dropped suddenly Tuesday night and reached 10 below zero. Wednesday night is registered 16 below.

Twin Bridges

By Mrs. Esther Herrick

Mr. and Mrs. B. J. Mundt spent the weekend at their daughters, the James H. family of Sanford and Saturday the 15th attended the wedding of Carol Duby. Miss Duby, the daughter of Ray and Marie Duby spent the early part of her life in Lovells as her parents lived here a good many years and still maintain a cabin here. Congratulations to them all.

We sure are having a wonderful winter so far.

We hear our good neighbor, the Jack Spears will bring their mother, Bud Bollmans grandma, Mrs. Jordan up soon to spend some time. Mrs. Jordan has been ill but is better at this time.

The Ken Soderquists were up over the weekend from Detroit.

PETTYJOHN MILLIKIN WED AT MT. HOPE

Mt. Hope Lutheran church in Grayling was the scene of the wedding of Miss Penny Lynn Pettyjohn to Mr. Floyd LeRoy Millikin at seven-thirty o'clock Saturday evening, February 1, 1964. The double-ring ceremony was performed by the Reverend Donald Beyer in a setting of white gladioli, white chrysanthemums and greens on the altar. Music was by Miss Cheryl Smock at the organ. Penny is the daughter of Mr. and Mrs. Jack Pettyjohn of Star Route, Grayling, and Floyd the son of Mr. and Mrs. LeRoy Millikin of Route One, Roscommon. Floyd graduated in 1961 from Grayling High school and is now working with his father in construction. Penny graduated in June of 1963 from Grayling High.

The bride chose a floor-length gown of white organza with satin underskirt for her wedding. The fitted bodice was of embroidered lace, the full skirt topped with a pleated cummerbund at the waist. With it she wore an elbow-length veil of silk illusion held by a Swedish crown, and short white gloves. Her flowers were a cascade bouquet of red roses, white, and gold-tipped carnations.

Maid of honor was Miss Toni Madsen, with Mrs. Morton Schiff of Detroit, sister of the bridegroom, as bridesmaid. They were identically dressed in street-length gowns of gold acetate fashioned with fitted bodices and bell skirts. They wore white fur circlets as headpieces and carried gold-tipped carnations and lemon leaves in colonial bouquets. Miss Robin Pettyjohn, sister of the bride, served as junior bridesmaid. She wore a short dress of yellow organza over taffeta and carried a bouquet like those of the attendants, made in miniature. Her hair was held by a yellow band.

Serving as best man was Robert Stephan. Groomsman was Roger Hatfield, with David Pettyjohn, the bride's brother, and Robert Millikin, the bridegroom's brother, ushering the guests to their places.

The bride's mother chose a two-piece boucle wool dress of beige with otter-colored shoes, purse and gloves. Her corsage was of bronze mums and yellow rosebuds. Mrs. Millikin wore a two-piece suit of blue and green brocade with matching accessories, and a yellow rose corsage.

A reception was held at the Grayling Sportsman's Club immediately after the wedding. The building was decorated with pink and white streamers and white wedding bells. Assisting Mrs. Pettyjohn were Mrs. Roger Hatfield, who served the wedding cake, Mrs. Morton Schiff who poured the coffee, and Miss Toni Madsen, who assisted at the gift table.

The newlyweds are now making their home on Bailey Road north of Grayling. They enjoyed a week's honeymoon trip through Ohio, Indiana and parts of Canada. For her going-away ensemble the new Mrs. Millikin wore a two-piece green double knit suit with black accessories.

Attending the wedding and reception were guests from Detroit, Traverse City, St. Louis, Muskegon, Roscommon, Cadillac, Houghton Lake and Saginaw.

IN MEMORIAM

In memory of Carl and Chris Jensen, who passed away seven years ago, on February 22nd and 25th, 1957. They are sadly missed by all of us.

Julius and William Jensen, Johanna Gorman

Bits O' Talk

The Bunco Club met Feb. 6 with Mrs. Floyd SanCartier as hostess. First prize winner for the evening was Mrs. Shirley Arnold, second Mrs. Herbert Stephan, and low the hostess. The penny prize went to Mrs. Henry Stephan. The club meets this Thursday, the 20th, with Mrs. Jenny Owens as hostess.

Miss Karen SanCartier of Midland spent the winter carnival week end with her parents, the Floyd SanCartiers, taking in the carnival events while here.

Howard Day was in Detroit Thursday and Friday on business, and while there visited his sister, Miss Ruth Day.

Mrs. Susie Bousley is spending the winter with her daughter, Mrs. Howard Hosmer, and family in Wyandotte. Her grandsons Don and Ron Hosmer came here to take her there.

\$2 off on any permanent at Marge's Beauty Salon, Upstate Shopping Center, during February and March.

Mrs. H. C. Schmidt is in Detroit with her son Howard and family. She went down last week on Thursday with Howard Day. Tuesday Mrs. Schmidt and her brother Glen Owen made a trip to Mt. Pleasant to visit her granddaughter Mrs. Ted Haddad.

Walter Hemmingsen speared a pike 37 inches long weighing 14 1/2 pounds in Lake Shellenbarger Tuesday of last week. He was using a live sucker as bait. The big fish swallowed the bait within an inch of the tail, then was hauled into spearing distance.

Mr. and Mrs. Charles Moore and Mr. and Mrs. Jack Alef were in Traverse City Wednesday of last week.

There were fresh bear tracks seen near the old Collen Landing at Lake Margrethe last week, a nother indication of what a topsyturvy winter we have had. Don

Weaver and Paul Harbert saw the

Further information on George Van Patten, whose obituary appears on page seven, was received Monday from his sister, Mrs. Glen Penard of Detroit. George moved from Lewiston to Grayling with his parents in 1910, where he attended school and lived until 1939 when he went to Detroit. He was united in marriage to Marion Peterson in 1952 and continued to live in Detroit, but never quite got over being from Grayling. He loved everything and everyone from his town. He made friends easily and the number of people who visited the funeral home and attended the services attested it.

Mr. and Mrs. Henry Carnahan report a robin in their yard Sunday.

Mr. and Mrs. Clair Smith spent the weekend in Lansing visiting their daughter and family, the Benny Allens.

Mrs. Albert Bentley has received word that her son, Bernard, is now stationed in Georgia. His address is Pvt. Bernard G. Bentley, RA-16783481, Eng. Co. R., USAFES, Fort Gordon, Ga., 30905.

Local Resident's Brother Passes On At Detroit

George Van Patten, 61, Detroit, died Wednesday, February 12, in Mt. Carmel Hospital. He was a native of Lewiston, Me.

Mr. Van Patten is survived by his wife, Marion; a sister, Mrs. Lane Penard, and two brothers, Claude, and Ernest of Grayling.

Services were at 1 p. m. Friday at the Hunter-Callender Funeral Home, Detroit. Burial was in Parkview Memorial Cemetery.

January Car Sales

Charles Moshier sold in January to Roy Akers a Pontiac Tempest station wagon, to Art Williams, a Pontiac 4-door sedan, to William Christenson a Tempest 4-door sedan, to the Vern Olvers a Pontiac Safari station wagon.

McEvers Motor Sales sold in January to the Lorne Douglasses a Buick Special 4-door, to Larry Pratt a Buick Special convertible, to the Joseph Stripes a Buick Skylark Sport Coupe, and to Everett Jones a Buick Special 4-door sedan.

Welsh Ford Sales in January were to Stan Madsen, a Galaxie 500XL, to Harold Johnson a Galaxie 500, to Stan Berry an F-100 pickup, to Homer Annis a Galaxie 500, and to Howard Bunker Jr., a Falcon sedan.

Dick Dodge sold to R. J. Smith a 34 ton Chevrolet pickup, to Don McCullagh a Chevrolet hardtop, to Jack DeHart a Chevrolet Impala hardtop, to William Sampsel a Chevrolet Bel Air for, to Michigan Bean Co. of Sandusky a stake truck, to Cliff Yortys of Roscommon a Chevrolet convertible, to Tunis Grover of Fowlerville a Chevrolet Impala hardtop, to Emma and Hazel Peters of Higgins Lake a Chevrolet suburban.

Propose Short Term Research To Bring State Long Term Gains

RICHES IN RESEARCH
Short-term research which could lead to long-term gains for the state has been proposed to the 1964 Legislature.

Seven of the state's public colleges and universities would be designated to conduct the research. Each of the proposed 13 projects would be completed in less than two years and hopefully could improve or expand Michigan's business economy.

The request before the Legislature is to release previously appropriated funds totaling \$480,055. The ultimate goal is to turn this investment into millions of dollars in new industry.

Something for everyone is the idea behind the proposals sponsored by the Economic Expansion Department and the legislative committee on economic growth.

Studies included in the request range from the impact of tourism, to processing and utilization of freeze-dried eggs, to the demand for in-plant package manufacturing machinery, to Upper Michigan's wood resources.

In cost the proposed research varies from a six-month project with an estimated \$6,500 expenditure, to a 12-month \$100,000 study, and a 24-month project would cost \$9,000.

Bolting down the various ideas for research projects held by various members of the university staffs took the better part of a year, said B. M. Conboy, head of Economic Expansion Department.

The interested state institutions submitted 100 specific research proposals which would have cost \$3.8 million. The projects submitted to the Legislature represented those the Department and legislative committee felt could have the biggest impact on economic development and for which there is the greatest present need.

Continuation of research projects such as these appears to have tremendous possibilities for putting new ideas into practice for the benefit of Michigan's distressed and depressed areas.

Legislative approval of the requests holds the key to success of these unique efforts to improve Michigan's economic position and keep it growing.

LEGISLATORS' PAY RAISE
Writing laws for a state is no easy job, but it carries with it an enviable power which has been exercised twice in the past four years. This is the power to raise one's own salary.

In 1960, one of the first years when legislators were on the job nearly year-round, the House and Senate members voted themselves a \$1,250 pay hike, including salary and expenses. This brought them up to \$5,000 salary and \$1,250 expenses.

Two years ago a legislative pay hike also was approved. This set the salary at \$7,000 per year but retained the previous expense sum.

This year, if a pair of Detroit Democrats have their way the legislators who return in the 1965 session would be paid \$10,000 a year in salary and be allowed \$5,000 in expenses.

Rep. John Sobieski, chief sponsor of the proposal, might be the first to admit that his increases, particularly that for expenses, are high. He'll be happy with whatever raise he can get passed.

Sobieski's theory is that the job of writing Michigan's laws has become and should be fulltime.

One admirable portion of Sobieski's proposal is a section to discourage chronic absenteeism. His bill would dock members \$25 for each day's absence without cause.

House Speaker Allison Green has expressed the reality with regard to Sobieski's bill. Green, Kingston Republican, notes that whatever figure remains in the bill, if and when it clears the committee, would be approved in both houses.

Green, and probably every other member, can think of "a strong argument" for paying lawmakers more money. Of course, where would one go to find someone who believed he was overpaid?

Salaries of Michigan's school teachers have been increasing about 5 per cent a year in recent surveys by the Michigan Education Association.

Last year, however, the MEA study showed a considerable jump in the annual raise. The average raise during the past school year was \$210 per teacher, as compared with an average \$122 raise the previous year.

These figures cover all teachers although greater salaries and increases sometimes go to those with degrees higher than the bachelor's degree.

Annual rates of pay continued to show wide variation among the 580 districts surveyed by the Association. The district study indicated the median starting salaries ranged from \$4,500 to \$4,600 and the median maximum was \$8,200 to \$8,300.

Additional pay for advanced degree background has changed little in recent years, the study showed. The average increment is between \$300 and \$400 a year, as it has been for several years. Some districts, it should be noted, offer beginning teachers only an additional \$100 per year for a master's degree.

LEGAL NOTICE

STATE OF MICHIGAN

The Probate Court in the County of Crawford

In the Matter of the Estate of George Sharkey, Deceased.

At a session of said Court, held on 6th, February, 1964.

Present, HONORABLE Beulah Moore, Judge of Probate.

Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Leo E. Lovely of Grayling, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on April 23, 1964, at 10:00 A.M.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Crawford County Avalanche, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered, certified or ordinary mail (with proof of mailing), or by personal service at least fourteen (14) days prior to such hearing.

Beulah Moore
Judge of Probate.

BITS O' TALK

John Bruun and Melvin Nielson made a trip to Detroit Sunday, Feb. 9, and on Monday Mr. Bruun took a plane at Metropolitan Airport and flew to Copenhagen, Denmark, planning to spend a couple of months.

Miss Sherrie Madsen was home from Northeastern School of Commerce, Bay City, the weekend of Feb. 8 to visit her parents, the Howard Madsens. All were dinner guests at Sherrie's grandparents' the Stan Madsens, in celebration of Sherrie's 19th birthday anniversary, which falls on Feb. 12. Leonard Anderson of Roscommon was an out-of-town guest.

Reduced winter rates. Welsh Apartments.

Mr. and Mrs. David Welch of Grand Rapids spent the weekend before last with their parents, Mr. and Mrs. Roy Smith.

Mr. and Mrs. Laurin Wing and two children of Grand Rapids spent the Winter Carnival weekend here enjoying the festivities and visiting relatives.

Mrs. Lee Hull made a trip to Lansing Feb. 8 to spend several days, returning Wednesday of last week. She was accompanied by Mrs. Ernest Richardson, who will spend a few weeks with her sister-in-law in Bath.

Mr. and Mrs. J. L. Martin left Tuesday, the 11th, to spend the winter at Oldsmar, Florida.

Mrs. Harry Souder reports seeing a cedar waxwing in the Arnold Hubbell back yard, eating the apples still clinging to the tree. This is almost unbelievable at this time of year, the waxwings being one of the latest birds to come north in the summertime, but Mrs. Souder has a good look, and she also knows her birds.

\$2 off on any permanent at Marge's Beauty Salon, Upstate Shopping Center, during February and March.

We note an item in the Otsego County Herald Times which states that Carl Peterson, onetime Grayling resident and operator of a jewelry store, who also owned a hardware and jewelry business in Gaylord and is now a resident of Lakeland, Fla., was in Panama when the riots occurred on Jan. 9. He was there with his wife Zina to visit their son Dr. Carl Jr., who is stationed there with the state department. Carl wrote "We sure had a heck of a time the first four or five days. Thank goodness we got away with whole hides."

Grayling folks who tried some skiing at Boyne Highlands Thursday were the Lester Welch's, the Lewis Stillwagons, the Tom Welshes, the Jack Masons, the Dr. Vernon Blahns and Don Gothro.

INCOME TAX INFO

HEAD OF HOUSEHOLD

There are three separate rate schedules used in computing income tax liability. Schedule I is used by those filing a separate return; Schedule II is used for those allowed to file a joint return; and Schedule III is used for those who qualify as "head of household".

To qualify as head of household, you must be unmarried or legally separated as of the end of the year. You must have furnished over half of the cost of maintaining a household for the entire year for at least one other person who is related to you. Your unmarried child, grandchild or stepchild must live with you. These persons, however, do not have to qualify as your dependents in order for you to claim head of household. Your father or mother do not have to live with you, but they must qualify as your dependent. All other relatives must live with you and also qualify as your dependents.

Where the relative is required to be a dependent, such status may not arise from a multiple support agreement. The dependent must receive over half of his support from you.

Cost of maintaining the household refers to the household itself. This would include such costs as rent, mortgage interest (not principal), taxes, insurance on the premises, upkeep and repair, utilities, domestic help, and food consumed in the home.

If in doubt about the filing requirements, write the U. S. Treasury Dept., Internal Revenue Service, Detroit, Mich. 48231.

Results for 1963

LARGEST AMOUNT OF LIFE INSURANCE IN ITS HISTORY SOLD BY SUN LIFE.

Sun Life representatives sold \$1.18 billion of life insurance in 1963. Group life insurance amounted to \$333 million and individual life insurance to \$850 million.

The amount of individual insurance sold increased by 8.3% over the previous year.

Increases in the dividend scale and growth of business in force result in dividends to participating policyholders in 1964 totalling \$50.9 million, the largest amount in the Company's 93 year history.

	1963	1962
Paid to Policyholders and Beneficiaries	\$ 217,088,000	\$ 199,884,000
New Life Insurance	1,183,726,000	1,128,440,000
Total Life Insurance in Force	11,512,419,000	10,840,722,000

A copy of the Annual Report for 1963 is being sent to policyholders. Copies may also be obtained from any of the Company's 150 branch offices coast to coast.

Bits O' Talk

Mr. and Mrs. Clifton Harvey of Flint spent Saturday and Sunday with her parents, Mr. and Mrs. A. L. Roberts, coming to help celebrate Mrs. Roberts' birthday anniversary, which is Feb. 18. Mr. Roberts had returned home on Friday from his inspection trip in northern Michigan and Wisconsin. On Wednesday of last week Mrs. William MacLeod and several ladies surprised Mrs. Roberts with a visit, bringing refreshments with them and wishes for a happy birthday.

Mrs. Ella Wilcox was hostess to her bridge club last Saturday. Mrs. Ernest Borchers was a guest. High score was held by Mrs. J. F. Cook, second high by Mrs. B. E. Henig and low by Mrs. Robert Hayes.

Mrs. Art Worden left this week to visit her sister Mrs. Francis Warner in Bonita Springs, Fla., and her brother in Clearwater, for several weeks.

Mr. and Mrs. John Petrucci of Delaware, Ohio, came Friday to spend some time at the home of her sister and family, the Jens Ziebell. The Ziebells were in Midland Saturday afternoon and Sunday visiting their daughter and family, the Roger Kesseler. Mr. and Mrs. Petrucci stayed over Sunday visiting with her other sisters, Mrs. Helen Cross and the Eben Files.

\$2 off on any permanent at Marge's Beauty Salon, Upstate Shopping Center, during February and March.

Marjorie Mrozinski, student of practical nursing at Mercy Hospital, is spending this week at Cadillac getting experience at Tri-County School for the mentally retarded.

Miss Barbara Cornell of Lincoln Park visited her parents, the Willard Cornells, over the weekend.

Around ten members of St. Mary's parish have so far taken part in the Cursillo, a movement which originated in Spain around fifteen years ago and reached Michigan some three years ago. The Cursillo means little course, describing quite well a study which inspires and encourages greater participation by laymen in church work, and a sharing of the work of the priesthood. The courses are given at various Catholic churches throughout the state, the latest being a retreat at St. Bernard's church in Alpena, last week from Thursday to Sunday.

Mr. and Mrs. Carl Dorah spent the weekend visiting his mother, Mrs. Julia Dorah at the home of her daughter, Mrs. Guy Wheaton of Lyons, the occasion being Mrs. Dorah's 89th birthday anniversary which falls on February 13. They also visited their children, Mr. and Mrs. Herbert Ritter and family of near DeWitt and the family of Mr. and Mrs. Max Field of St. Johns.

Mr. and Mrs. Richard Johnson of St. Clair Shores were weekend guests of her aunt and uncle, the Harold MacNevens.

Mrs. Alfred Olson of Detroit visited the Esbern Olsons over the weekend.

We see by the Orlando, Florida Sentinel, that some of the Grayling folks are making good in the fishing columns, namely the "Sentinel Shad-Rack." There are listed as taking 29 shad (19 roe) fishing out of Lemon Bluff, and again as taking 6 shad (2 roe), from the same camp. We assume they were using AuSable river flies, with no doubt the Royal Coachman the best producer.

Mr. and Mrs. Sam Sherwood visited Mr. and Mrs. Homer Montgomery and children in Hersey last Thursday.

Ledger sheets in stock at the Avalanche.

Mrs. Harold Rasmussen and her brother, Frank Tetu of West Branch, have gone to Van Nuys, Calif., to spend some time visiting their sisters, Mrs. Maude Aberie and Mrs. Bernadette Konneker, and Mrs. Rasmussen's daughter Miss Laura. Miss Jean Rasmussen and Mrs. Ella Beninger left Saturday to spend some time in Lake Worth with Mrs. Amy Gothro.

The Harrison Goodhues of Birmingham spent the weekend at their summer home.

Mr. and Mrs. Raymond Root and

family of Battle Creek were here over the weekend to visit the Arthur Carlsons and do some skiing.

Mrs. Harold MacNeven was in Lansing on business for a couple of days recently.

Mr. and Mrs. Sam Colleen Sr. of Detroit spent last week with their son and family, the Sam Juniors. Other guests were Mrs. Colleen's sisters, Mrs. Walter Farling and Mrs. Max Clare and their children, of Clare, who spent Tuesday of last week visiting her. Mr. and Mrs. Colleen have received word that their son George has completed his basic training at Ft. Knox, Ky. and is now stationed at Fort Hood, Texas. George was joined there by his wife Carolyn in January.

Mr. and Mrs. Jerry Savoie and his mother Mrs. Joseph Savoie, all of Dafer, were callers at the home of the latter's niece and family the Jack Trudeons during the winter carnival weekend. Her brother Charles Savoie of Sault Ste. Marie was a caller Friday of the same weekend.

The Ray Carricks Celebrate Their 48th

Mr. and Mrs. Ray Carrick of Wakeley Road celebrated their 48th wedding anniversary on Feb. 19.

Mr. and Mrs. Carrick moved to Grayling from Port Huron five years ago, when Mr. Carrick retired after 39 years with the Grand Trunk Railway. They have five children, Mrs. John Collins, Mr. Charles Carrick, Mrs. Evered Badley and Mrs. Joseph Micallef, all of Port Huron, and Mrs. Raymond Ellis of Sandusky, Michigan.

The Carricks are members of St. Mary's church and members of the Grayling Moose Lodge 1182 and Women of the Moose 827, of which Mrs. Carrick is Senior Regent.

Crawford County Avalanche Thursday, February 20, 1964

Mercy Hospital

(Continued from Page One)

and was only 66. Another interesting statistic in this regard is the age of the victims. Over the past six years, statistics show that the youngest treated was only 22 months old, the eldest 58. The average age, however, over the past six years was in the early 20's.

Statistics have also been kept on the number of sprains by anatomical location each year. The leading injury was sprained ankles. In 1957, they numbered just over five as did sprained knees. Both injuries showed growth reaching their high total in 1960 with sprained ankles hitting just over twenty victims and sprained knees suffered by just under fifteen. Both injuries then declined to lower figures but showed a slight rise again in 1963. Miscellaneous sprains followed the same pattern with the high figure

reached in 1961, a year later than the other two injuries. Since that time, the figure for miscellaneous sprains has steadily declined. Two sprained wrists have been recorded in this six year span, one each in 1961 and 1962.

In next week's concluding article on the six-year statistical study of Grayling Mercy Hospital, a look will be taken at fractures which have occurred during this time. Also their anatomical location will be cited. Also a look will be taken at two big items for the hospital . . . "Where the Dollars Go" and "Where the Dollars Come From" plus several interesting items about hospital operation.

IN MEMORIAM

In memory of Clayton Gorman, who passed away February 25th, 1957. Always a lonely heartache and many a silent tear. But always a beautiful memory of one we loved so dear. Sadly missed by his family.

If you're after a car with some life to it, there's only one thing to do. Be my guest.

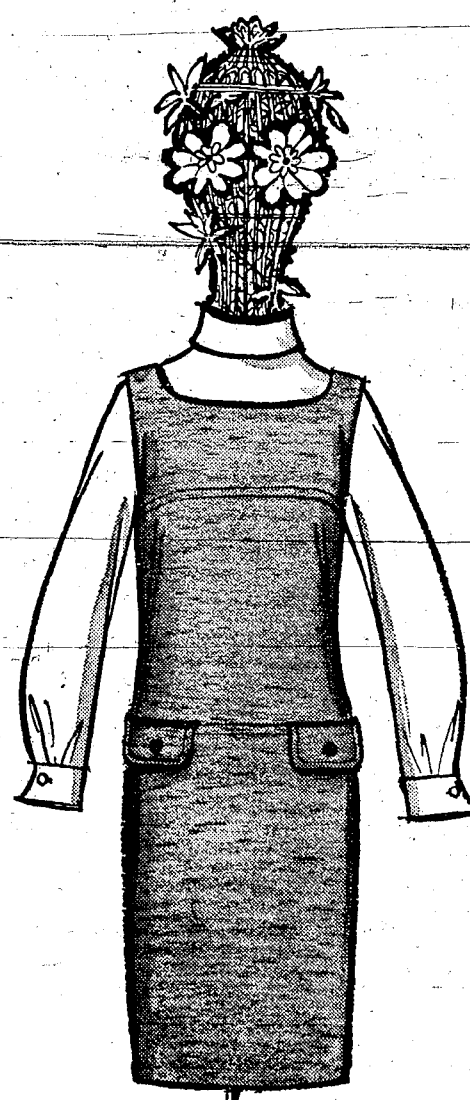

I'm easy to find, you know. Just look for me at your Buick dealer's, during his Sports Car Rally. While you wait for me, you can drive one of his sport models—a Wildcat, maybe, or a Skylark. Or even a Riviera. In fact, you can drive all three. That's what the Buick Sports Car Rally is all about. (What a way to start a New Year!) If I don't show up, you can talk price. That's even more pleasant than conversation with me. You'll see. Once you get your hands on a Buick, you won't miss me a bit. Really.

See your Quality Buick Dealer for Double Check Trade-In . . . a better buy for you.
